Closing Remarks

CONFERENCE ENDS

"All the time that it's going on you're thinking, they're going to realize that they made a mistake and you know, they're going to let me go. But it just never happened that way."

– Steven Truscott

"...after I was sentenced and was being driven away to prison from my hometown...I didn't lose hope. I just kept telling people that the truth was out there; it was just a matter of time."

– Clayton Johnson

"The most important point I can make about my very long experience is it has not been a good one. There is no justice in being locked up behind bars for something you have not done."

– David Milgaard

"To permit bitterness to control or infect my life... would be to allow those who imprisoned me to take even more than the 22 years they've already taken."

– Rubin "Hurricane" Carter

"I knew I was innocent, my lawyers knew I was innocent, but it just didn't seem to matter."

– Guy Paul Morin
